

Instruction Sheet

The attached application form will enable you to enroll in a UPMC Health Plan product or to make certain changes if you are already a member. Please fully read the brief instructions on the form and carefully fill out the sections that apply to you. If you are not clear about what information is requested, refer to the detailed instructions below.

1 Selecting a Plan

Your open enrollment kit and/or your employer has provided you with information that describes the benefit plans available to you. Please select the Health Maintenance Organization (HMO), the Exclusive Provider Organization (EPO), the Enhanced Access Point of Service plan (EAPOS), the Preferred Provider Organization (PPO), or the Out of Area plan. If your employer is offering a consumer-directed health plan, and you wish to enroll, please select either Consumer Advantage HRA or Consumer Advantage HSA. Your choice must be a plan that is offered by your employer. Please select only one.

2 Applicant Status

Four boxes appear under the heading "Please Check All That Apply." In the Application for Membership box, choose Annual Enrollment if you are joining the Health Plan during your company's annual open enrollment period, or other options as appropriate. The Change of Coverage and Change of Status boxes are for existing UPMC Health Plan members who are making routine changes that involve their dependents or their demographic information. In the Type of Coverage box, tell us the type of coverage you require. Fill this box out carefully as it may relate directly to the amount you contribute toward your benefits each pay period.

3 Employee Information

In this section, we are requesting basic information about you. If you don't remember your date of employment – the first day you worked for your current employer – please ask your human resources department.

4 Covered Family Members

List full name, Social Security number, sex, and date of birth for yourself and for each dependent that you wish to cover under your UPMC Health Plan benefits. Please print clearly. This information will be transcribed by the Health Plan and become part of your health record. If you are enrolling in our HMO, we require that you look up your primary care provider's (PCP) name and practice number in our provider index and enter that information. If you have selected a POS, EPO, CDHP, or PPO plan, you are not required to select a PCP and can leave the PCP section blank.

5 Other Group Health Insurance

If you or any dependents who are going to be covered by UPMC Health Plan have other health insurance, list the person's name and information about the other health insurer. There are rules that govern which company covers health services, and it is important that we have this information to coordinate your coverage.

6 Signature

Please remember to sign and date the form. Keep the pink copy and follow your employer's instructions about turning in the rest of the form.
