HOW TO CALCULATE YOUR BASE MONTHLY RATE

This guide lists base monthly rates. The base rate is the maximum amount you will pay every month before applying any Advanced Premium Tax Credits that you may be eligible to receive. If you qualify for financial help, your rate will be less than the base rate.

BASE MONTHLY RATE CALCULATION INSTRUCTIONS

To calculate how much you will pay each month for your health coverage:

- 1 Identify the names and ages of all family members for whom you are buying coverage.
- 2 Find the page(s) in this Rate Guide for the county where the contract holder* has a permanent mailing address.
- 3 The plans we offer are listed across the top of the page(s). Locate the plan(s) that interest you.
- 4 In the "Age" column on the left of the page, locate the age of each family member who will be covered on the policy. Please use the age on the first date of coverage.
- 5 Match the age —on the first date of coverage for each family member who will be covered on the policy—to the rate under the plans you are considering.
- 6 If the individual family member has not used a tobacco product in the last six months, use the rate in the "Non-Tobacco" column for that member.** Rates for children under age 21 are strictly "Non-Tobacco."
- 7 If an individual family member has used a tobacco product in the last six months, use the rate in the "Tobacco" column for that member.**
- 8 If you are a two-parent family with more than three children under age 21, you are only obligated to include rates for you, your spouse/domestic partner, children between ages 21-26, and/or three oldest children under age 21. Your remaining children will be automatically covered under your policy, if you include them on your application as eligible dependants, but without a rate listed with their names.
- 9 Use the convenient chart on pages 4 and 5 to list the rates for each family member for your plan options.
- 10 Add the numbers in the "Rate" columns to find your total base monthly rate for your plan options.

CHILD-ONLY POLICIES

Child-only policies are available. Each child enrolling in a policy without at least one parent must enroll under a separate policy.

CATASTROPHIC COVERAGE

Catastrophic plans are only available to individuals and their families under age 30 or those who meet financial hardship requirements. Go to healthcare.gov for more information.

*If you are over 21 years of age, find the county where you reside. If you are under 21 years of age, either find the county where you reside or the county where you reside with your parent or guardian. **This does not include the religious or ceremonial use of tobacco

FINANCIAL HELP OPTIONS

Depending on your household income and other factors, you may be eligible for one or both forms of financial help. Highmark is here to help guide you through the Marketplace to get any financial help you may be eligible for, and enroll you with or without financial help.

- *Advanced Premium Tax Credits can be applied (in advance) to reduce your monthly premium. To use, you can select an individual Marketplace plan at any metal level.*
- *Cost-Sharing Reductions** will lower the out-of-pocket costs you may pay at the time of service. To use, you must purchase an individual Marketplace Silver Level plan.*

*Eligibility for financial help can only be determined by requesting an eligibility verification through the Health Insurance Marketplace at www.Healthcare.gov. Only applicable for coverage in 2015 and in the 48 contiguous states and the District of Columbia.

**American Indian and Alaska Native Cost-Sharing Reductions apply to individual plans at any Metal Level through the Marketplace. American Indians and Alaska Natives who are members of federally recognized tribes are eligible for Cost-Sharing Reductions at alternative dollar thresholds.

TO BE ELIGIBLE FOR FINANCIAL HELP

Submit an application online at DiscoverHighmark.com, via phone at 1-855-329-3004, or through the Marketplace at HealthCare.gov or 1-800-318-2596. Eligibility for financial help is based on your household income, the number of people in your household, your health coverage needs, and other factors. You do not need to provide a medical history. Filling out the application may take up to 30 minutes. You will see your calculated savings immediately online.

When you apply, make sure you have:

- Social Security Numbers (or document numbers for legal immigrants) for everyone in your family who needs to have health coverage*
- Employer and income information for everyone in your family who needs to have health coverage*
- Health insurance policy numbers for anyone who currently has health coverage*

HOW TO ENROLL (WITH OR WITHOUT FINANCIAL HELP)

When you're ready, you can enroll directly through Highmark with or without financial help. You can also enroll via the Health Insurance Marketplace. Highmark has the support you need to make the right choice, including:

- *Working with you one-on-one to find the health insurance plan that fits your needs and budget*
- *Helping estimate your eligibility for financial help*
- *Completing your enrollment (or you can visit the Health Insurance Marketplace)*

DO NOT CANCEL ANY CURRENT HEALTH INSURANCE COVERAGE IN RELIANCE ON THIS INFORMATION.

These premium rates are subject to change at any time. Premium rates are valid as of the start date of coverage and are calculated according to the information that you have entered. This document is not a contract. The complete terms, provisions, and conditions concerning coverage are described in the actual policy. Please contact us for specific requirements.
