

Medicare PRA

Premium Reimbursement Arrangement

Medicare Premium Reimbursement Arrangement:
An arrangement under which an employer (with fewer than 20 employees) reimburses some or all of Medicare Part B, Part D, and Medigap premiums.

This is a way for you to assist Employees who are enrolled in Medicare!

How do you set up the MPRA?

The Employer works with Davevic to set up the MPRA, determine the amount of funds available in each employee's MPRA for the coverage period, and establish the permitted allowance per month.

How will reimbursements be processed?

All MPRA claims are processed at our office in Grove City. Employees can easily file for reimbursement by Mail, using the Davevic App, or using the Davevic Consumer Portal. At Davevic, we do not outsource to a third party like many of our competitors.
