This document is your Schedule of Benefits. If you enroll in this plan, this Schedule of Benefits will be an important part of your Policy. Your Policy describes in detail the services your plan covers, while the Schedule of Benefits describes what you pay for those services.

For Covered Services to be paid at the level described in your Schedule of Benefits, they must be Medically Necessary. They must also meet all other criteria described in your Policy. Criteria may include Prior Authorization requirements.

Please note that your plan may not cover all of your health care expenses, such as copayments and coinsurance. To understand what your plan covers, review your Policy. You may also have service area documents that expand or restrict your benefits.

If you have any questions about your benefits, or would like to find a Participating Provider near you, visit [www.upmchealthplan.com](http://www.upmchealthplan.com). You can also call UPMC Health Plan Member Services at the phone number on the back of your member ID card.

Member Cost Sharing	Participating Provider
<b>Annual Deductible</b>	
Individual	\$3,500
Family	\$7,000
Your plan has an embedded Deductible, which means the plan pays for covered benefits in these two scenarios — whichever comes first:	
*When an individual within a family reaches his or her individual Deductible. At this point, only that person is considered to have met the Deductible; OR	
*When a combination of family members' expenses reaches the family Deductible. At this point, all covered family members are considered to have met the Deductible.	
Deductible applies to all Covered Services you receive during the Benefit Period, unless the service is specifically excluded.	

<b>Member Cost Sharing</b>	<b>Participating Provider</b>

	Copayments may apply to certain Participating Provider services.
<b>Total Annual Out-of-Pocket Limit</b>	
Individual	\$7,150
Family	\$14,300
Your plan has an embedded Out-of-Pocket Limit, which means the Out-of-Pocket Limit is satisfied in one of two ways — whichever comes first:	
<p>*When an individual within a family reaches his or her individual Out-of-Pocket Limit. At this point, only that person will have benefits covered at 100% for the remainder of the Benefit Period; OR</p> <p>*When a combination of family members' expenses reaches the family Out-of-Pocket Limit. At this point, all covered family members are considered to have met the Out-of-Pocket Limit and Covered Services will be paid at 100% for the remainder of the Benefit Period.</p>	
Out-of-Pocket costs (Copayments, Coinsurance, and Deductibles) for Covered Services apply toward satisfaction of the Out-of-Pocket Limit specified in this Schedule of Benefits.
