Our Employee Benefits Tools

Davevic combines cutting-edge technology and the personal touch of our dedicated team to create the best experience possible for our clients. From reasonable fees and customizable HRAs to personalized employer tools, we provide everything needed for benefits administration under one roof.

CONSUMER PORTAL & MOBILE APP FOR CONSUMER ACCOUNTS

Consumers are able to manage their health benefits with the click of a button! Designed so they can quickly submit claims, check balances, or check on the status of a claim. Our Consumer Portal & Mobile App provides easy, on-the-go access to consumer accounts.

BENNY PREPAID BENEFITS CARD

Consumers can easily pay for and verify their healthcare purchases using our prepaid benefits card. Our benefits card can be paired with any kind of Consumer Directed Account.

COBRA MEMBER PORTAL & MOBILE APP

Our comprehensive member portal and cobra mobile app provides 24/7 access to your coverage information, allowing plan members to manage their plan whenever they need (elections and payments).

EMPLOYER PORTAL ACCESS

We provide employers access to their own employer portal to coincide with both the Consumer Accounts and for COBRA. These portals allow for easy communication of enrollment and also allow employers to pull reports at a click of button. Employers also always have our office for all of their customer service needs.

EMPLOYEE NAVIGATOR TPA VENDOR

Employers can easily send us enrollments, terminations, and changes easily through our direct integration with Employee Navigator. We can accept files for Consumer Directed Accounts and COBRA Administration.
