

Highlights of EPO Plans with the Together Blue Network

Together Blue doesn't just include in-network access to Allegheny Health Network. It also offers your employees access to select physicians and hospitals that work closely with Highmark to provide high-quality, cost-effective care. It consists of more than 20 community hospitals and over 2,500 primary care physicians and specialists in western Pennsylvania alone.

Your employees are covered at emergency rooms and urgent care facilities from coast to coast under the BlueCard® program. And when they travel globally, they're covered in 190 countries through the Blue Cross Blue Shield Global® Core program.

However, it's important to check with each provider to see if they are in network before a visit. By keeping care in network, they can be sure that medically necessary and appropriate treatments will be covered.

Essential Formulary

Prescription drugs are an important part of your employees' coverage.

The list of drugs that a plan covers is called a formulary. These plans offer:

Essential Formulary, which has:

- A closed formulary, meaning the plan only pays for drugs on the formulary; non-formulary drugs are not covered
- Generics, brands, and specialty drugs are mixed between the different tiers
- A four-tier structure where members can save money when a doctor prescribes drugs on the lower tiers

For additional information, you can visit [HighmarkEssentialFormulary.com](https://www.highmarkbcbs.com/essential-formulary).

* According to the Blue Cross Blue Shield Association.

** Rx information displayed: Retail up to 31-day supply.

NOTE: Member's coinsurance payment for tier 4 Rx is \$250 minimum and \$1,000 maximum.

Please refer to the online Find a Doctor tool at [highmarkbcbs.com](https://www.highmarkbcbs.com) for a listing of network hospitals. *The BlueCard® Program — With BlueCard®, your coverage travels with you. When you enroll in a Together Blue EPO plan, you have access to thousands of providers and hospitals nationwide for urgent and emergent care. Getting access to care is as easy as presenting your Highmark identification (ID) card. When you are outside of western, northern, and central Pennsylvania, providers who participate with the local Blue Cross and Blue Shield plan will recognize and honor your card. So your benefits go with you.*
