

2015 Blue Rx PDP

Pharmacy Directory

This booklet provides a list of Blue Rx PDP's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Blue Rx PDP's formulary.

This Pharmacy Directory was updated on 01/01/2015. For more recent information or other questions, please contact Blue Rx PDP at 1-800-290-3914 or, for TTY users, 711 National Relay Service, Monday through Sunday, 8:00 a.m. to 8:00 p.m, or visit www.highmarkblueshield.com/medicare.

Introduction

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Blue Rx PDP only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of January 1, 2015. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Blue Rx PDP.
