I represent that, to the best of my knowledge, the information I have provided in this application – including information regarding qualified beneficiaries and dependents who have elected continuation under COBRA or state continuation laws – is accurate and truthful. I understand that UnitedHealthcare and Affiliates will rely on the information I provide in determining eligibility for coverage, setting premium rates, and other purposes, and that any misrepresentation or fraudulent statement may result in rescission of the group policy, termination of coverage, increase in premiums retroactive to the policy date, or other consequences as permitted by law.

UnitedHealthcare disclosure regarding producer compensation: We pay brokers and agents (referred to collectively as "producers") compensation for their services in connection with the sale of our insured products, in compliance with applicable law. We pay "base commissions" based on factors such as product type, amount of premium, group size and number of employees. These commissions are reflected in the premium rate. In addition, we may pay bonuses pursuant to bonus programs established from time to time which are designed to encourage the introduction of new products and provide incentives to achieve production targets, persistency levels, growth goals or other objectives. Bonus expenses are not directly reflected in the premium rate but are included as part of the general administrative expenses. It is our policy not to pay commissions to producers with respect to a product for which the customer is also paying the producer a commission or other fee. Please note we also make payments from time to time to producers for services other than those relating to the sale of policies (for example, compensation for services as a general agent or as a consultant).

Producer compensation is subject to disclosure on Schedule A of the ERISA Form 5500 for customers governed by ERISA. We provide Schedule A reports to our customers pursuant to federal law. We also have taken steps to ensure that producers properly disclose their compensation arrangements to their customers, but we cannot guarantee the producer's compliance. For general information on our producer payment arrangements, including the approximate percentage of total compensation that total bonus payments comprise, please go to <http://www.uhc.com> and enter the term "overview of producer compensation" in the search box. For specific information about the compensation payable with respect to your particular policy, please contact your producer.
